

# Shutter Scholars: YOUTH PHOTOGRAPHY PROGRAM

Program Facilitator: Alliannah Hamilton ([alliannah@oakwoodarts.org](mailto:alliannah@oakwoodarts.org))

**Unlock the world of creativity through the lens of a camera!**

Our "Shutter Scholars" photography course is designed for 8th-grade students eager to explore the art and science of photography. Over 10 exciting weeks, participants will embark on a visual journey, discovering the magic of capturing moments, telling stories, and expressing themselves through the power of images.

Topics & Lessons we will cover:

- What is Photography?
- Getting to know your Camera's controls through Abstract Photography
- Composition & Point of View
- Introduction to Digital Editing
- Exploring Nature
- Portrait Photography
- Still Life Photography
- Storytelling Through Images
- Exhibition and Celebration
